Committed to keeping our Community Safe – Our response to Alert Level 2 COVID-19.

As we move back into Alert Level 2, Alpine Energy remains well prepared to continue to ensure the security of supply of electricity and to support our Community on an ongoing basis through all emergencies.

We have re-enacted our pandemic response plan following recent Government announcements, making changes to our business to ensure our safety and that of the community.

Alpine Energy's hygiene protocols remain high which ensures our workplace is clean and hygienic to continue to limit any spread of COVID-19. Our contractors also have a heightened awareness of working safely during these times and are using strict hygiene and physical distancing protocols where able. As usual, to report a safety concern such as fallen power lines or damaged electrical equipment, please contact Alpine Energy immediately on 0800 66 11 77. Please refer to our website/Facebook page for updates.

We are very proud of our Community efforts working together in these difficult times and we would like to thank you all as we get through this together.
