

Continuing to Empower Our Community at COVID- 19 Alert Level 4

Unite
against
COVID-19

Our Response to Covid-19

Alpine Energy is heartened by the way South Canterbury has banded together during these unprecedented times and would like to say thank you. This only heightens our commitment to provide a safe and reliable power network to all our customers as we all work together to eliminate COVID-19.

As we move into Level 3 on Tuesday 28th April 2020, we would like to assure you that our works will remain the same, the majority of our people will continue working remotely from home and our crews will be safely attending to outages and any other incidents that may arise.

If you do see our crew out onsite, please show respect by adhering to the Covid-19 guidelines set by the Government. In the event of an emergency, dial 111 for help.

If you require any services from Alpine Energy, simply contact us on 0800 66 11 77 or via email mailbox@alpineenergy.co.nz. We also have a Facebook page that is available for you to view, simply type in Alpine Energy in the search bar to find us.

Alpine Energy prides themselves in supporting this incredible community, so continue to look after each other, stay safe and adhere to restrictions – together we can do this.

**You will still see out
crews and contractors
out on the job during
lockdown**

As we are an Essential Service provider, we will still be out on the road ensuring everyone has power connected during lockdown.

Some of our contractors are →

NETcon & Lemacon
