

Our Commitment to keeping our Community safe during level 1 Covid-19 Pandemic

15th June 2020

Alpine Energy will continue to operate safely and continue to support our Community during the Covid-19 pandemic.

At Alert Level 1, Alpine Energy's responsibility remains the same, it is to continue providing a reliable network within the South Canterbury Community safely. This also means we are carrying on with our normal levels of network maintenance and upgrade work planned.

We would like to assure you that we will continue to abide by the Government's advice in doing the right things such as contact tracing, we take all measures seriously and are prepared to respond to any changes as the situation evolves.

Alpine Energy's hygiene protocols remain high which ensures our workplace is clean and hygienic to continue to limit any spread of Covid-19.

We are very proud of our Community efforts working together in these difficult times and we would like to thank you all.

If you require any services from Alpine Energy, simply contact us on 0800 66 11 77 or via email mailbox@alipneenergy.co.nz. We also have a Facebook page that is available for you to view, simply type in Alpine Energy in the search bar to find us.
