

Former customer application form

Here's how it works

Step 1 Complete the application form

Provide your contact details, your ICP number (if you have it), address, and the specific period you were a customer of ours. If you are a former customer at more than one ICP, you can make a separate application for each ICP number.

Step 2 Submit supporting documents

Upload evidence to support your application. You need to submit either:

- **Electricity bills:** you will need to submit the first electricity bill for the period that you were a former customer AND the last electricity bill for the period that you were a former customer. If you can only provide one of these, please also attach some alternative evidence that is dated close to the start or end of the period.
- **Alternative evidence:** you will need to submit documentation that includes your full name or business name, and the address you're claiming you were a former customer at. You will need to include some evidence that is dated close to the start of the period you were a former customer AND some evidence that is dated close to the end of the period you were a former customer. Some examples of alternative evidence are a utilities bill for that address (eg, telecommunications or gas), a rental agreement for that address (where you were the renter not the landlord), or correspondence from your bank or insurer to you that is addressed to that address. If you provide alternative evidence, you'll need to declare you were the bill payer.
- **Special circumstances:**
 - If you are applying on behalf of someone else (e.g. someone who has passed away or someone unable to apply due to illness) please include evidence in your application that you have authority to apply on their behalf.
 - If your current name is different to the name on the evidence (e.g. due to marriage or divorce) please include evidence of your name change (e.g. marriage certificate).

Step 3 Review and submit

Ensure all information is accurate, and that all fields that are mandatory are completed.

Step 4 Optional

Provide account details. You can securely provide your bank or power account details now or do so later.

Step 5 Confirmation of receipt

Submit your completed application by emailing support@alpineenergy.co.nz, OR via post or hand delivery to Alpine House, 24 Elginshire Street, Washdyke, Timaru.

Step 6 Outcome

If you have provided all the required information we will assess your application and aim to inform you of the outcome within 15 business days. Should you be successful, the credit or payment will be processed as soon as possible. If you do not provide all the information requested, the process will take longer and you may be asked to provide additional information. Applications where all the requested information is provided will be prioritised.

Before you start

It's optional to provide your bank or power account details to us at this stage. You can leave this off your application and we will request them from you at a later stage in the process.

There is an option to provide other supporting documentation and to leave a comment should you feel that our form doesn't cover your circumstances.

By submitting an application form, you consent to Alpine Energy collecting and using your personal information for the sole purpose of assessing and processing your credit. Your information will be handled in accordance with our Privacy Policy:
